CTU IN PRAGUE**

Agreement on processing of complementary personal data

I give consent to the Central Library of the Czech Technical University in Prague to process my complementary personal data, which will be stored in the library system database for reason of providing library services to the extent as follows:

temporary address, personal e-mail address, phone number, mobile phone number

Giving consent to process my complementary personal data is a voluntary act and the User has right to erase them by applying in writing at any time.

While data processing, its storage and while accessing the personal data the Library staff acts in accordance with Act No. 110/2019 Coll. on Data protection and with amendments of particular related Acts. Personal data is provided for the Central Library purposes only.
