4 Lending Procedure

A lending arrangement cancelling the obligation of User to confirm each loan by signing a lending paper form has been intruduced in Library. Protection of User and of the Library is secured by other means while complying with the terms stated in this Declaration. The lending procedure involves a non-transferable Student or Staff card (Internal Users) or a Library card (External Users) bearing a barcode and a Personal Identification Number (PIN). User selects a PIN in the course of registration under the guidance of the Library staff. User is responsible for the damage or loss or misuse of the card and is obliged to report its loss to the Staff. Should a card be lost or damaged User must pay the charge for a new issued card. Repeatedly forgotten PIN might be followed by temporary or permanent deprivation of user rights to Library services.

Loan registration is made by using specific PIN of User solely and it is considered to be User authorization. Each User must remember the PIN. In combination with the card, PIN is unique and therefore cannot be misused by the Staff. If User forgets the PIN, a new one may be selected. This act is viewed as a loss and User must pay a charge according to the current Library charges and fines. Repeatedly forgotten PIN might be followed by temporary or permanent deprivation of user rights to the library services.

There is no printed lending form to be signed upon lending procedure, no receipt of the borrowed item or of its return. User may follow the lending and returning procedure on the computer monitor. User may renew the loan electronically in online Library catalogue or at the lending desk if there is no reservation for the Item. The renewal period depends on type of the document, lending period and user category. The one-time prolongation is 30 days at the maximum. By signing this declaration User agrees to follow the conditions of the given lending procedure.

A charge is also paid for the administration procedure connected with the preparation of enforced unreturned loan by legal procedure.
